Shooting Requirements

A formal request letter must be sent for review and approval.

Details of Requirements

The letter must be addressed to the following people:

- Mr. Allan P. Quijano - Senior Vice President for Finance and Chief Administrative Officer, and/or
- Dr. Maribeth T. De los Santos - Vice President for Hospital Services and Chief Medical Officer

University of the East Ramon Magsaysay Memorial Medical Center Information

The letter must also include a list of items and names for entry, as well as the wattage requirements of any equipment that will be used.

Access Hours

8:00 AM to 5:00 PM

Restrictions or Limitations

Complete details must be provided in the formal request letter, as restrictions and limitations depend on the planned setup.

Security Requirements

Valid ID of production's representative is necessary.

Prohibited Equipment

Please submit list of items as our Security and Facilities team will double-check for clearance.

Power Sources Available

Electrical outlets and generators are available.

Space for Equipment Storage

Parking space and gym are available. Other requests can be done onsite on the day; all requests are subject to approval.

Onsite Facilities

Onsite facilities include restrooms and parking.

Set-up and Clean-up Time

One (1) hour of set-up time and one (1) hour of clean-up time must be allotted before and after the shoot.

Parking Information

Please let us know in advance the vehicle details (plate number, model and color) for parking reservation.

Weather Considerations

We follow the Quezon City's announcement on suspension of classes. For shoots scheduled during typhoons, please contact us to coordinate on scheduling.
